

Declaration of Cooperation The Yamhill Partners for Land and Water

March 11, 2015

Columbia Land Trust's mission is to Conserve and care for vital lands, waters, and wildlife of the Columbia River region. We focus our work from the John Day River east of the Cascades to the Pacific Ocean, reaching about 50 miles from the Columbia into both Oregon and Washington. This area includes the vast majority of Yamhill County. The Land Trust supports the efforts of the Yamhill Partners for Land and Water. As a member of this important partnership the Land Trust will:
